

After two long years, a complete Sausage Fest is back! The dates are quickly approaching, September 16th and 17th, and it has the potential to be better than ever! We just need a little help.

Christ the King Catholic School has seen an incredible amount of growth the last three years. Which means this vibrant school is full of new families. Families that may have never experienced a true Sausage Fest!

While Fest functions as the largest fundraiser for the school, it has also always operated as a community building event for our entire parish. Many of you have faithfully supported Fest over the years. Thank you for your dedication, past and present. Fest wouldn't be the same without you. This year, there are some key chair positions that urgently need to be filled. The truth is, we need established parishioners, who have volunteered in past Fests, to step into the gaps this year. You have the ability to teach our new families how it's done, so that next year they can feel comfortable taking the reins.

Many, many people have already signed up, but here are the important chair positions that are still open:

- First aid Chair
- Set-up/Take-down Co-chair
- Safety and security Chair
- Sweet Shoppe Chair
- Photography (just Saturday)
- Hamburger Chair
- Sausage Co-chair (recruiting volunteers)
- Art and Crafts Chair
- Caser Club Chair
- Movie theater Chair

Please help!!
Father Joe
You can do this

Other urgent needs:

- 26 hay bales
- Boom lift
- Transportation for barriers and light towers

If you feel called to one of those leadership positions, or have questions about them, please contact Heather Daniels, Sausage Fest Chair as soon as you can! Today if possible!
Cksfchair@ckschool.net

There are also many ways to work a shift or two in your favorite Sausage Fest area. Whether it's a game, the Biergarten, wiping tables, or making sausage - there's space for you. You can click on [this link](#) to be taken to our online signup portal - or contact our Manpower Chair: Jenn Lux (858) 414-3093 sfestmanpower@gmail.com and she can answer your questions and sign you up!

On behalf of CK School Staff and Families, thank you for your willingness to volunteer, and be assured of our prayers for you. Sausage Fest 2022 is going to be a great success!

Blessings

-Caitlin Elder

CKCS PTO President and Early Religious Education Co-Coordinator, Christ the King Church
