

PSALMS  
The School of Prayer

While the historical books of the Bible recount God's creative and redemptive acts in history, the Psalms reveal Israel's response to God's covenant offer and serve as a model for our response to Him and tell the "inside" story which comes from the deeply personal perspective of one who is seeking God. Our communication with God is enhanced by a deeper understanding of this book. **(\$20)**

UNLOCKING THE MYSTERIES OF THE BIBLE

This eight-part study provides the easiest way to understand the Bible. Unlocking the Mystery of the Bible makes the complex simple. It helps you uncover the story woven throughout Scripture so that you can get the "big picture" of the Bible and understand what it is all about. The Bible is a story about the Father's unfailing love for you - a love that you are now called to share with others. **(\$20)**
