Middle School
Youth Ministry**

ABOUT US

Our middle school youth ministry programs are coordinated and supervised by caring adults and/or teen helpers who have been trained according to the proper safe environment guidelines required by the Diocese of Yakima. Our volunteers are practicing Catholics who are passionate about their faith. Your child will also have the opportunity to meet young Catholics who are going through the same challenges they are going through. Together we help each child navigate the world around them with Christ as their anchor.

YOUTH GROUP

We host several youth group events through the year. Once a quarter we have a fun night led by a select group of high school students, and all middle schoolers gather for a night of games and faith sharing. We also have monthly events featuring bowling nights, dinners, holiday parties, and service projects.

BUILDING BRIDGES

Our landmark event, the Building Bridges Middle School Rally, brings together middle school Catholics from all over the diocese for a two day event filled with live music, activities, and prayer. Mark your calendars for this year's event which will be April 24-25, 2020

FAITH FORMATION

Middle School bridges the gap between childhood when kids are completely reliant on their parents and high school when they are on the verge of adulthood. In middle school, youth are beginning to make some of their own decisions, and we want them to make the right ones! This is the perfect time to place them on the path to sainthood! Through prayer, celebrating the sacraments, Bible Study, and discussion about the faith, we can help your child grow in holiness, just like the great young saints, St. Dominic Savio, St. Agnes, and St. Maria Goretti!
