

about us

Christ the King offers faith formation for all interested students in grades 6-8. We cover various aspects of Scripture, liturgical study, and relationships with a focus on maturation.

Our active, discussion-based curriculum is designed to meet the unique needs of middle school students and includes various hands-on activities including service projects and presentations.

Youth group events are held throughout the year, including a middle school rally with live music, holiday parties, movie nights and game nights that offer a safe space for youth to meet and fellowship with others in their age group.

fellowship

Once a quarter we will have a middle school mandatory fun night or MSMFN. All middle school students gather together in the gym for a night of activities and faith sharing. These special evenings of fellowship are led by a select group of high school juniors and seniors from the Life Teen program. At the end of the night, one of the high school students shares a testimony about how God has been a part of his/her life.

We also offer several opportunities for all Middle school students to join together in projects and youth group events. Middle School students participate in two major service projects, throughout the year. In the winter, middle school students participate in the parish-wide St. Vincent Depaul project while our by collecting canned food and jars of peanut butter and jelly. During Lent, all students participate in a Penny War that benefits Catholic Relief Services.

We also do our part to make sure that one our largest parish projects, Vacation Bible School, runs smoothly by serving as station helpers and crew helpers.

fun

The Middle School Youth Group provides fun-filled activities for all youth in the 6th, 7th and 8th grades, regardless of their church affiliation. All attendees are encouraged to bring a friend to participate in activities such as game nights, holiday parties, service projects, and bowling nights.
