

# Blessing of a Father on Father's Day

God our Father  
in your wisdom and love you made all things.  
Bless this man, \_\_\_\_\_ ,  
that he may be strengthened as a Christian father.  
Let the example of his faith and love shine forth.  
Grant that we, his son(s) and daughter(s),  
may honor him always  
with a spirit of profound respect.

We ask this through Christ our Lord.

**Amen**
