

Blessing of a Mother on Mother's Day

Loving God,
as a mother gives life and nourishment to her children,
so you watch over your Church.

Bless this woman, _____,
that she may be strengthened as a Christian mother.

Let the example of her faith and love shine forth.

Grant that we, her son(s) and daughter(s),
may honor her always
with a spirit of profound respect.

We ask this through Christ our Lord.

Amen
