

Greeters/Ushers needed: Your parish needs you! Are you able to spend an hour or two a month volunteering to greet & usher at anyone of the Masses held on Saturday evening or Sundays? We are in need of volunteers to greet and usher at the weekend Masses. Your service will be on a rotating schedule for the mass of your choice. Please consider and pray about whether you can offer your time and talent for this very important ministry. Greeters/Ushers help greet the parishioners as they enter the church, pass out the bulletins, help with the collection and the communion. It is a great way to get to know your fellow parishioners and serve the Church. We need help with the following Masses and especially since our Easter Masses will soon be upon us:

Saturday at 5:00 p.m. Vigil Mass

Sunday at the 8:00 and 11:30 a.m. Masses

Sunday at the 5:00 p.m. Mass – **especially this Mass**

Please contact Kathy Leonard if you can help. She can be reached at 208 351-7628 or at dleonard5455@charter.net. May God bless you and your family...
